

Wi-Ne-Ma Christian Camp Adopt a Camper

Help a child experience a week of camp at Wi-Ne-Ma Christian Camp.

Our prayer is for each child to be able to experience Christian Camping in the surrounding beauty of God's creation. Not all children can afford the tuition to attend. You can help make that happen by adopting a camper.

You may "adopt" one or more children by paying half or their full tuition. Let us know if you want us to send the certificate to you, your church, or if you want the Camp to use it to help a child come to Camp.

Fill out the information below and include this information with your money. Thank you for helping make it possible for kids to go to camp.
