

## Meet Our Speakers

**Steve Richardson, Retired Professor, Hope International University.** Steve now lives in Nampa, Idaho and attending Ten Mile Christian Church where he teaches a Sunday School Class.

Steve received his undergraduate degree from Northwest Christian College (now Bushnell University) and earned an MDiv at Emmanuel School of Religion (now Emmanuel Christian Seminary).

**K.C. Richardson, Hope International University**

Dr. K.C. Richardson, Steve's son, currently teaches at Hope International University. K.C. did his undergraduate work at Hope International University, received an MDiv from Emmanuel, and earned a PhD from UCLA. Having father and son on the same program will be a wonderful experience

(we hope for them) and for us.

*“In essentials, unity; in non-essentials, liberty; in all things charity (love)” has been a major slogan of the Stone-Campbell Movement, but there has always been discussion (and sometimes division) regarding what is “essential” and what is not. Steve and K.C. will help us unpack the first part of that slogan and assist us to apply it in beneficial ways.*
